

The Muncie Housing Authority recently completed a lottery process for the Housing Choice Voucher (HCV) Program waiting list. This drawing determined order of placement for applicants to be notified. All applicants were processed that were mailed to the Muncie Housing Authority (MHA) prior to the deadline date of April 12, 2010.

When there is funding available and you are at the top of the waiting list, MHA will contact you by MAIL. Placement on the waiting list is no guarantee of receipt of a HCV. All families placed on the waiting list must meet all eligibility requirements for the HCV program.

Changes in mailing address must be reported promptly and in writing only. If mail is returned to MHA with no forwarding address or you do not respond to mailings, your name will be removed from the waiting list.

The following list contains blank spaces which mean the applicant did not give permission to publically post their names.
